

**Dr. Khaleel Malik**

Senior Lecturer

Alliance Manchester Business School (AMBS) &
Manchester Institute of Innovation Research (MIOIR),
The University of Manchester (UK).

Dr. Khaleel Malik lectures in the areas of Innovation Management and Innovation Policy at AMBS in the University of Manchester. He has also worked on various research projects in the areas of Technology & Innovation Management, Science & Innovation Policy and the Evaluation of Innovation Policy. Dr. Malik served as the Head of the Innovation, Strategy & Sustainability (ISS) Group within the IMP Division of Alliance Manchester Business School from March 2014 to Jan. 2020, which involved managing the teaching portfolio of the subject group and sitting on the IMP divisional management team. He is also a member of the *Manchester Institute of Innovation Research* centre in the University of Manchester. MIOIR is a global centre of excellence in the field of innovation studies, building on a 50+ year tradition of innovation and science studies in Manchester.

After graduating with his PhD degree from PREST at the University of Manchester in the year 2000, Dr. Malik has worked in academic research/ lecturing roles at the University of Manchester. Before starting his PhD in 1996, Dr. Malik originally trained in the field of Mechanical & Production Engineering and he graduated with an *MSc Engineering Design* degree in 1991. He also holds six years practical industry experience in the engineering industry where he worked in Design and Development and Industrial Marketing, before commencing his PhD research study.

During his academic career at Manchester, Dr. Malik has supervised over ten doctoral researchers to successful PhD and DBA completions. Dr. Malik has engaged in research and consultancy with a variety of organisations including industrial firms, public and private sector bodies. This includes UK and international conferences and workshops. Dr. Malik has been invited to deliver short courses in the area of innovation management/ innovation policy to students on Bachelors/ Masters/ MBA levels and professional short courses in a number of countries across Europe and Asia.

Dr. Malik has been the Book Review Editor for the peer reviewed journal *R&D Management* from 2007 to 2021. He has over 80 publications, including Journal Articles, Conference Papers, book chapters and various consulting reports.
