### CG COMSTECH, Uzbek envoy discuss co-op

The dignitaries had a comprehensive discussion on exploring possible avenues of co-op between COMSTECH and Uzbekistan in 2022, and 2023, respectively

ISLAMABAD: Coordinator General COMSTECH, H. E. Prof. Dr. M. Iqbal Choudhary visited the Embassy of the Republic of Uzbekistan in Islamabad and had a meeting with the Ambassador of the Republic of Uzbekistan, H.E. Mr. Oybek Arif Usmanov in Pakistan on Thursday.

The dignitaries had a comprehensive discussion on exploring possible avenues of cooperation between COMSTECH and Uzbekistan in 2022, and 2023, respectively. The Ambassador appreciated the role of COMSTECH and the passion of Prof. Choudhary for the development of science and technology in OIC region.

Prof. Choudhary briefed the Uzbek Ambassador about COMSTECH programs' contribution to Uzbekistan and joint initiatives conducted in the past, and in-

formed him on current programs and future planned initiatives of COMSTECH and Uzbekistan. The dignitaries discussed the organization of 2nd OIC robotics competition and Olympiad in mathematics in Uzbekistan. They also discussed commemorating global celebrations of Mirza Muhammad Ulugh Beg - renowned astronomer and mathematician - by organizing series of events including a large international conference, jointly by COMSTECH, OIG General Secretariat and the Government of Uzbekistan in 2024. They exchanged ideas on the establishment of a center on information technology and artificial intelligence for OIC, and the training of managers of science and technology parks in Uzbekistan.

Both the dignitaries agreed to enhance cooperation and work together to implement the above mentioned programs.

### Coordinator General COMSTECH Calls on Uzbek Ambassador

Staff Reporter

ISLAMABAD: Coordinator General COMSTECH, H. E. Prof. Dr. M. Iqbal Choudhary visited the Embassy of the Republic of Uzbekistan in Islamabad and had a meeting with the Ambassador of the Republic of Uzbekistan, H.E. Mr. Oybek Arif Usmanov in Pakistan on Thursday.

The dignitaries had a comprehensive discussion on exploring possible avenues of cooperation between COMSTECH and Uzbekistan in 2022, and 2023, respectively. The Ambassador appreciated the role of COMSTECH and the passion of Prof. Choudhary for the development of science and technology in OIC region. Prof. Choudhary briefed the Uzbek Ambassador about COMSTECH programs' contribution to Uzbekistan and joint initiatives conducted in the past, and in-

formed him on current programs and future planned initiatives of COMSTECH and Uzbekistan. The dignitaries discussed the organization of 2nd OIC robotics competition and Olympiad in mathematics in Uzbekistan. They also discussed commemorating global celebrations of Mirza Muhammad Ulugh Beg - renowned astronomer and mathematician - by organizing series of events including a large international conference, jointly by COMSTECH, OIG General Secretariat and the Government of Uzbekistan in 2024. They exchanged ideas on the establishment of a center on information technology and artificial intelligence for OIC, and the training of managers of science and technology parks in Uzbekistan.

### Coordinator-General COMSTECH visits Embassy of Uzbekistan

Islamabad, 8 April 2022 (TDI): Coordinator-General COMSTECH, Prof. Dr. M. Iqbal Choudhary visited the Embassy of the Republic of Uzbekistan in Islamabad and met with the Ambassador of the Republic of Uzbekistan in Pakistan, Oybek Arif Usmanov on Thursday.

The officials discussed potential collaboration areas between COMSTECH and Uzbekistan in 2022 and 2023, respectively. The Ambassador praised COMSTECH's role and the dedication of the Coordinator-General to the advancement of science and technology in the OIC region.

The Coordinator-General of COMSTECH gave a briefing to the Uzbek Ambassador on COMSTECH programs' contributions to Uzbekistan, previous collaborative initiatives, the current programs, and the initiatives planned for the future collaboration between COMSTECH and Uzbekistan.

The dignitaries reviewed the planning of the 2nd OIC robotics competition and the Uzbekistan Math Olympiad. They also proposed planning a series of activities, including a huge international conference, to commemorate Mirza Muhammad Ulugh Beg in 2024. Ulugh Beg was a prominent astronomer and mathematician of Uzbekistan. This conference will be a collaboration between COMSTECH, the OIG General Secretariat, and the Government of Uzbekistan.

Furthermore, they discussed the creation of an OIC center for information technology and artificial intelligence, as well as the training of administrators of science and technology parks in Uzbekistan.

Both dignitaries agreed to strengthen cooperation and collaborate to carry out the aforementioned initiatives.
