To implement joint educational and scientific programs, COMSTECH and University of Sargodha (UoS) signed a Memorandum of Understanding (MoU) on Wednesday.

The MoU was signed by the Coordinator General COMSTECH, Prof. Dr. M. Iqbal Choudhary and the Vice Chancellor of UoS, Prof. Dr. Qaisar Abbas. The officials of COMSTECH and the university were also present in the signing ceremony. The two sides agreed to develop and implement joint educational and scientific programs in the fields of science, technology and innovation and collaborate in joint organization of international events.—APP

MoU signed for scientific cooperation

The University of Sargodha (UoS) and the Organization of Islamic Cooperation Standing Committee on Scientific and Technological Cooperation (COMSTECH) signed a Memorandum of Understanding (MoU) to promote joint educational and scientific programmes on Wednesday.

SARGODHA, (APP - UrduPoint / Pakistan Point News - 26th Jul, 2023): The University of Sargodha (UoS) and the Organization of Islamic Cooperation Standing Committee on Scientific and Technological Cooperation (COMSTECH) signed a Memorandum of Understanding (MoU) to promote joint educational and scientific programmes on Wednesday.

The MoU was signed by UoS Vice Chancellor Prof Dr Qaisar Abbas and Coordinator General COMSTECH Prof Dr Muhammad Iqbal Chaudhary. As part of the MoU, the COMSTECH and UoS would jointly conduct workshops, seminars, and science and technology project training programmes to enhance technical and research capabilities of professionals in scientific and technological fields.

Under the MoU, the COMSTECH will create a platform to provide training and consultation for the establishment of a Science Park at the University of Sargodha. Furthermore, a programme will be developed to enable young researchers and students from OIC Member Countries to visit the UoS to conduct research for 6-12 months duration under the supervision of faculty members from the UoS in different disciplines.
